

# LA TROMPETTE

The safety of our guests and staff are our main concern at this time, to that end we have implemented the following measures to adhere to the current government guidelines as we reopen La Trompette.

- We have changed the layout of the restaurant to comply with social distancing rules.
- We have made some changes to service at table and ask that customers are understanding of this
- Temperature screening will be completed twice a day for all employees.
- Single use menus to be given and wine lists to be viewed via a QR code.
- Sanitisers will placed on all tables plus in toilets and entrance of restaurant.
- Toilets to be cleaned more frequently.
- Staff will wash their hands every half an hour.
- Staff will be encouraged to wear masks or visors.
- PDQ machines, tables and chairs to be sanitised after each use.
- All doors where possible to remain open.
- All staff receive training on COVID-19 safety and sanitation protocols
